

Saturday and Sunday
August 8 & 9, 2015
10AM-6PM
Headwaters Park East, Lincoln Pavilion

Help Us Help You at the Maker Faire

Swatch-O-Rama

So what is a Swatch-O-Rama? We are working to bring fabric artists, quilters and crafters a special treat this year. Clean out your craft drawers and bring your “junk” to the 5th Fort Wayne Regional Maker Faire!* We'll provide the space. You provide the fabric, threads, yarns, needles, paper, stamps and any items Makers, Crafters or Quilters might consider treasures for use in their projects. Bring to Maker Faire* and Swap away – it's free!

Maker Faire Fort Wayne* favorite Casey Drudge, known for his TekVenture Chain Reaction Challenge machines and 3D quilt work will be back this year. Come see Casey's totally unique approach to quilting and Lorri Courtney's adorable knit octopi. They might even swap you swatch or something to include in their next art piece.

* Early tickets available for purchase at www.makerfairefortwayne.com/attend or at the door.
